About Me

Hey! I'm Miguel Dantas and I'm a Game Designer from Portugal. Ever since middle school that I've been enthralled by game development and coding.

Experience

Virtual Campus Lda. 2026

Internship

Worked as Game Designer for several projects developing rulebooks and GDDs whenever necessary.

Ground Control Studios 2024-2025

Joint Project

Worked as Game Designer, Level Designer and Sound Designer.

Education

2022-2026

Instituto Politécnico da Maia

Degree where I started developing games for the first time and where I acquired most of my game development skills.

2017-2022

Universidade do Porto

Learned a lot of coding basis to a very deep and elemental level.

Languages

Portuguese – Native
